Subject: **Acceptance of Application for Visiting Professor Position for 3 years**

Dear Professor Jain,

We are delighted to inform you that the Department of Informatics has made the decision **to accept your application for the position of Visiting Professor for a period of three years, starting from 1 July 2024 to 30 June 2027.** We also wish to inform you that there is a possibility of renewing your position upon your request at the end of the initial term. We are very pleased to have the opportunity to welcome you to our department.

Your invaluable contributions to the field of Artificial Intelligence and its applications, along with your active involvement in international research collaborations, make you an esteemed addition to our academic community. Your pioneering work and leadership in AI have significantly advanced the field and inspired countless researchers and practitioners worldwide.

In recognition of your outstanding achievements, the Department has already awarded you our most important distinction, the Honorary Doctorate. This honour is a token of the profound respect and admiration we hold for your work and your lasting impact on the discipline.

We believe that your appointment will significantly enhance our department's teaching and research capabilities, and we are confident that your presence will inspire our faculty and students alike. We are looking forward to the exciting opportunities and advancements that your collaboration will bring.

Once again, we warmly welcome you to the University of Piraeus and eagerly anticipate the positive influence you will have on our academic community.

With sincere regards and best wishes for your future endeavours.

Professor Maria Virvou

Head of the Department of Informatics

University of Piraeus
